## IMPORTANT NOTICE TO ALL CUSTOMERS

### ADM GLOBAL Invoice Format Changes

Dear Valued Client,

We would like to take this opportunity to advise you of some changes within our invoicing format and in particular the number sequence.

For your information, our invoices will no longer have an initial Alphabetical digit.

For example **S**00123456.

Moving forward, each invoice will have its own unique invoice number which will display numeric digits only.

We trust the above changes will serve to improve the visibility/recognition of our invoicing in the future

Your Global Logistics partner.
