IMPORTANT NOTICE TO ALL CUSTOMERS

Cyclone forecast to hit Bangladesh

Cyclone MOHA SHEN formed a few days ago in the Bay of Bengal and is currently heading towards Bangladesh.

The category 7 cyclone is scheduled to affect costal areas, such as Chittagong, in the coming day or two. All incoming and outgoing vessel movements into the Chittagong have been ordered to stay out of port until further notice.

As a result, we anticipate delays in ocean cargo movements into and out of Chittagong until the cyclone has passed.

We will continue to monitor the situation and provide updated details as they come to hand.

Should you have any questions please do not hesitate to contact your account representative.
