IMPORTANT NOTICE TO ALL CUSTOMERS

Changes to Quarantine Fees on Customs Entries

Dear Valued Client,

Please be advised that effective **1st December 2015** the quarantine fee/component included in “other charges” (more commonly known as EEC charges) on the customs entry has changed (excluding SAC’s). The Customs fees/component has not changed.

In effect, this means that:

- Airfreight entry quarantine declaration fees have gone up from \$16.00 to \$33.00 (an increase of \$17.00 for total “other charges”).
- Seafreight entry quarantine declaration fees have gone up from \$15.00 to \$42.00, however the container levies (\$30.00 per FCL/FCX and \$8.00 per LCL) have been removed, which means a significant reduction in “other charges” on the entry for multiple container FCL/FCX shipments.

Quarantine AIMS service/overtime fees have changed slightly, however they do not effect the “other charges” component on the customs entry.

Please see attached official government notification of these changes and a full listing of the revised schedule of charges.

Should you have any questions, please do not hesitate to contact your account representative.

Yours faithfully,
