EXTREMELY IMPORTANT NOTICE TO ALL CUSTOMERS

Illegal Logging Prohibition Amendment Regulation TIMBER PRODUCTS

ADM Global has been advised by the Authority of the Minister for Agriculture, Fisheries and Forestry that there is an amendment to the regulation under the “Illegal Logging Prohibition Act 2012” for Importers of “regulated timber products”, coming into **effect from 30th November 2014**.

It will affect all Importers of timber products and further manufactured products of timber origin, as listed in “Schedule 1” of the attached “Amendment”. It is imperative that all affected Importers peruse the attached documents so they are fully aware of their obligations from the operational date. This should not affect, or impede on the import clearance procedures, however it will make a considerable impact on the operational practices of the Importer.

The penalties for non-compliance will be severe and liability will extend to 5 years from the date of import.

Should you have any questions please do not hesitate to contact your account representative.

Yours faithfully,
