IMPORTANT NOTICE TO ALL CUSTOMERS **- FURTHER UPDATE -**

Extreme Terminal Congestion in Los Angeles and Strike Contingency Plans

Unfortunately the situation at Los Angeles port hasn't changed, congestion has gotten worse. It hasn't helped that the ILWU (International Longshore and Warehouse Union and the PMA (Pacific Maritime Association) haven't come to an agreement yet, which means port closures may be imminent.

If you have any concerns, please speak to your account representative who can discuss contingency plans with you.

Your customer service representative will keep you updated if any of your shipments will be directly affected / delayed by this congestion.

Yours faithfully,
