IMPORTANT NOTICE TO ALL CUSTOMERS

Strike in Hong Kong Container Terminal

Since the Easter holiday workers at the Kwai Tsing shipping terminal in Hong Kong have undertaken strike action in an effort to gain a pay increase.

Up until this time work at the terminal had slowed down, but ships could still move in and out of the port. However, as the strike action continues it is expected delays will occur for vessel departures.

We will be closely monitoring the situation and advise if there are any forecasted major delays

For more details on the strike please click on the following link:
