IMPORTANT NOTICE TO ALL CUSTOMERS

****REMINDER****

Increase in Government Charges for Import Declarations

On the 13th of December the restructure to the import processing charge (IPC), which was announced in the Federal Government's April budget, was formalised when the *Import Processing Charges Amendment Bill 2013* was passed through both House of Parliament, without amendment.

Effective from the 1st of January 2014, the IPC will increase for all consignments valued over AUD 10,000 by:

\$102.60 for electronic sea import declarations

\$81.90 for electronic air import declarations

***Refer to Table 1 for more details*

For consignments valued over AUD 1,000 and up to AUD 10,000 the IPC will remain the same.

For consignments valued at AUD 1,000 or less, the IPC will still not apply.
