IMPORTANT NOTICE TO ALL CUSTOMERS

Port Botany Closed Due to Severe Weather

Dear Valued Client,

ADM Global has been advised that due to adverse weather conditions in Sydney, Port Botany operations have ceased with no vessel or yard operations. Weather conditions continue to worsen with destructive winds, heavy rainfall and a very heavy swell that is expected to continue throughout the today and may continue to do so for a further 48 hours.

The Port Authority will be conducting a reassessment later this afternoon with the intention to have the terminal resume operations once weather conditions allow the safe resumption of operations.

ADM Global will continue to monitor this situation and further information will be provided as updates on this situation are received.

Should you have any questions please do not hesitate to contact your Customer Service Representative or Business Development Manager.

Yours faithfully,
ADM GLOBAL PTY. LTD.,
