## **IMPORTANT NOTICE TO ALL CUSTOMERS**

### **Proposed Measures for Imports from USA – BMSB Season**

Dear Valued Client,

ADM Global has been advised that due to the recent season of Brown Marmorated Stink Bugs originating in the USA, arrangements have been aligned between Australia and New Zealand with a seasonal risk window for BMSB between 1 September 2015 and 30 April 2016 inclusive.

The measures will therefore apply to targeted goods departing USA ports during this time, irrespective of the date the goods arrive in Australia.

Kindly refer to the attached industry draft release.

Should you have any questions or concerns, please do not hesitate to contact your account representative

Yours faithfully,
