IMPORTANT NOTICE TO ALL CUSTOMERS

VIC Wharf Delays

ADM Global has been advised by the wharf that container volumes are at their highest in Melbourne ever.

This is having a flow on affect to local transport operations and causing delays in obtaining timeslot bookings at the terminal. Turnaround times in container collections and deliveries will be slower especially for next week's deliveries (starting 18th August 2014).

There might be extra costs to secure timeslots to collect containers from the terminal, as timeslots will be hard to secure.

Our cartage team will advise you if your container deliveries will be delayed.

Should you have any questions please do not hesitate to contact your account representative.

Yours faithfully,
ADM GLOBAL PTY. LTD.,
