Service Tax Change for Indian Exports

Dear Client

Please note that there have been major changes to the Service Tax Rules in India. As a result, Service Tax of 12.36% is now leviable on all export charges (like THC, Ex Works charges etc.) that are rendered in India.

The only exception to this rule is for Prepaid Airfreight and Seafreight shipments.

For further information on this ruling and the Service Tax itself, please click the below link.
