Los Angeles Port Strikes

Dear Client

Please note that due to the escalated threat of industrial action at the port of Los Angeles, shipping lines are warning that a Port Congestion Surcharge may be implemented to cover any resultant costs.

Currently, seven container terminals at the Port of Los Angeles are not in operation. These terminals include China Shipping (Berth 100), Yang Ming (Berths 121-131), Yusen (Berths 212-225), Evergreen (Berths 226-236), APL (Berths 302-305), APM (Berths 401-404) and California United (Berths 405-406).

The surcharge, if it is implemented, will be applicable to all cargo departing/arriving Los Angeles to/from Australia.

ADM Global will keep you updated as further news comes to hand.

Should you have any questions please do not hesitate to contact your account representative.

Yours faithfully,
ADM GLOBAL PTY. LTD.,
