Malaysia-Australia Free Trade Agreement

Dear Client

The Australian Senate has passed legislation to implement a Free Trade Agreement which will allow tariff-free entry for 97.6% of all goods exported from Australia. This figure is set to rise to 99% by 2017.

Malaysian exporters will also enjoy duty-free entry into the Australian market.

The legislation was passed to create stronger trade ties with Malaysia – our 10th largest trading partner with AUD 5 billion in exports and AUD 9.1 billion in imports between 2011 and 2012

Should you have any questions please do not hesitate to contact your account representative.

Yours faithfully,
